1890-1891. The first year of the new century. The first year of the new century.

1891-1892. The second year of the new century. The second year of the new century.

1892-1893. The third year of the new century. The third year of the new century.

1893-1894. The fourth year of the new century. The fourth year of the new century.

1894-1895. The fifth year of the new century. The fifth year of the new century.

1895-1896. The sixth year of the new century. The sixth year of the new century.

1896-1897. The seventh year of the new century. The seventh year of the new century.

1897-1898. The eighth year of the new century. The eighth year of the new century.

1898-1899. The ninth year of the new century. The ninth year of the new century.

1899-1900. The tenth year of the new century. The tenth year of the new century.

1900-1901. The eleventh year of the new century. The eleventh year of the new century.

1901-1902. The twelfth year of the new century. The twelfth year of the new century.

1902-1903. The thirteenth year of the new century. The thirteenth year of the new century.

1903-1904. The fourteenth year of the new century. The fourteenth year of the new century.

1904-1905. The fifteenth year of the new century. The fifteenth year of the new century.

1905-1906. The sixteenth year of the new century. The sixteenth year of the new century.

1906-1907. The seventeenth year of the new century. The seventeenth year of the new century.

1907-1908. The eighteenth year of the new century. The eighteenth year of the new century.

1908-1909. The nineteenth year of the new century. The nineteenth year of the new century.

1909-1910. The twentieth year of the new century. The twentieth year of the new century.

1910-1911. The twenty-first year of the new century. The twenty-first year of the new century.

1911-1912. The twenty-second year of the new century. The twenty-second year of the new century.

1912-1913. The twenty-third year of the new century. The twenty-third year of the new century.

1913-1914. The twenty-fourth year of the new century. The twenty-fourth year of the new century.

1914-1915. The twenty-fifth year of the new century. The twenty-fifth year of the new century.

1915-1916. The twenty-sixth year of the new century. The twenty-sixth year of the new century.

1916-1917. The twenty-seventh year of the new century. The twenty-seventh year of the new century.
